KRISHI BHAWAN: NEW DELHI

F.No. 111-2/2018-Vig. 1 Feb. 2018

Dated the 23<sup>rd</sup> Feb, 2018.

CIRCULAR

It has been observed that Scientists/Officers are seeking permission for foreign deputation with funding by Private organizations i.e. NGO, Private Organizations/Institutions etc. It has been decided that while Scientists are being sponsored by Private Organizations, it would be seen whether any conflict of interest is existing in getting sponsorship by NGO's/Private Organizations/Institutions.

It has been decided that same will be examined on receipt of an undertaking that there is no conflict of interest in the sponsorship made by the Organization.

If it is found at a later date that there existed any conflict of interest, suitable penal action would be taken against the Scientists/Officers.
