

**INDIAN COUNCIL OF AGRICULTURAL RESEARCH
KRISHI BHAVAN: NEW DELHI**

F.No. 1(4)/2017-PMIS

Dated: 05 Oct, 2020

To

The Directors/Project Directors of all ICAR Institutes/Directorates

Subject: Updation of PMIS database

Sir/Madam,

On the basis of recommendations of Cadre Review Committee, Cadre Review of ICAR Scientists was notified vide O.M. 21(1)/2017-Per.IV dated 02.07.2020 after taking approval of Hon'ble Agriculture & Farmer's Welfare Minister, President, ICAR.

PMIS database was accordingly updated as per the revised cadre strength of the Institutes. However, it was observed that data of few scientists inspite of being posted at Regional Stations/PC Units was not updated in PMIS database which has emerged as a source of discrepancy during the just concluded online transfer portal cycle.

Therefore, it is requested to send the details of all incumbents scientists (including DR-Scientist /DR-Sr.Scientist/ DR-Pr.Scientist/ HoD/ HoRS/ PCs) currently posted at your Institute. The details must include their place of posting i.e. Institute Hqrs. /Regional Station/PC Units/Experimental Farm, if any.

Accordingly, the information in the prescribed format (enclosed as **Annexure I**) may be sent to the Council at the earliest on or before 10 Oct'2020 via e-mail to sopmis524@gmail.com.

Yours faithfully

(Pramod Kumar)

Under Secretary (PMIS)

(Details of incumbent Scientists)

Annexure -I

Cadre of the Scientist	Name of the Scientist	Discipline	Place of posting (Institute Hqrs/ Regional Station/ Experimental Farm/ PC Units)
DR-Scientist	1.
