OFFICE MEMORANDUM

Subject: Fresh empanelment of private Diagnostic Laboratories / Imaging Centre and revision of package rates applicable under CGHS, Delhi.

The undersigned is directed to state that CGHS had initiated action for fresh empanelment of private Diagnostic Laboratories / Imaging Centre under CGHS, Delhi (which covers areas in Delhi, Faridabad, Gurgaon, Ghaziabad and NOIDA) and also for the revision of package rates (which were fixed in 2006), to be paid to diagnostic centres, by floating tender for the same. On the basis of the responses received rates for various procedures / treatments have been arrived at and have been uploaded in the website of CGHS: www.mohfw.nic.in/cghsnew/index.asp and can be downloaded.

2. The undersigned is directed to enclose the list of Diagnostic Laboratories and Imaging Centres that have conveyed their acceptance of the rates announced vide Office Memorandum of 17th August, 2010, referred to above and have signed the Memorandum of Agreement with CGHS and have also furnished the appropriate performance bank guarantee. These Diagnostic Laboratories and Imaging Centres are now taken as included in the list of approved hospitals for empanelment under CGHS, Delhi. However, empanelment of Imaging centres is provisional subject to recommendation for empanelment by QCI after inspection.

Diagnostic Laboratories, who have not been NABH Accredited and have only applied for NABL Accreditation (being on the panel of CGHS at the time of submission of tender) shall however, be removed from the list of approved Diagnostic Laboratories, if they fail to obtain NABH Accreditation within '6' months from the date of issue of this notification.

3. Diagnostic Laboratories and Imaging Centres that are presently on the panel of CGHS, Delhi, which either did not apply in response to the fresh empanelment process initiated by the CGHS during the second half of 2009, or have not been approved by the CGHS under the fresh empanelment procedure can continue to treat CGHS beneficiaries at the old (pre-revised rates) till 22nd November, 2010. On 23rd November 2010, their names will stand removed from the list of approved Diagnostic Laboratories and Imaging Centres empanelled under CGHS, without any further notice.

2/10

4. In order that CGHS beneficiaries get treatment from well maintained and run Diagnostic Laboratories / Imaging Centre, it has been decided to have differential rates of reimbursements, as per details given in the enclosed rates list. The principle followed for the differential package rates being:

- (i) where L-1 rates were arrived at on the basis of rates quoted by non-NABL accredited diagnostic centre, NABL accredited diagnostic centres will be entitled to reimbursement of certain percentage of additional amount over and above the L-1 rates; and
- (ii) where L-1 rates were arrived at on the basis of rates quoted by NABL accredited diagnostic centres, then non-NABL accredited diagnostic centres would be entitled to an amount lower by certain percentage than the reimbursement made to NABL accredited diagnostic centres at L-1 rates.

5. A Diagnostic Laboratories / Imaging Centre empanelled under CGHS, whose normal rates for treatment procedure / test are lower than the CGHS package rates shall charge as per the rates charged by them for that procedure / investigation from a non-CGHS beneficiary and will furnish a certificate to the effect that the rates charged from CGHS beneficiaries are not more than the rates charged by them from non-CGHS beneficiaries.

6. In case of non-emergencies, the beneficiary shall have the option of availing specific investigation from any of the empanelled Diagnostic Laboratories / Imaging Centre of his / her choice (provided the Diagnostic Laboratory / Imaging Centre is empanelled for that treatment procedure / test), **after the same has been advised by CGHS / other Government Specialist / CMO in-charge** and permission is obtained from the competent authority.

9.7 Serving Central Government employees and their dependent family members not covered by the CGHS will not be denied treatment at package rates if they approach the diagnostic centres in emergency condition to the patient. The

treatment will given after verifying the genuineness of the employee by production of his / her valid identify card issued by the appropriate authority.

10 In case of treatment taken in emergency in any non-empanelled private diagnostic laboratories / imaging centres, reimbursement shall be considered by competent authority at CGHS prescribed packages / rates only.

13 This issues with the concurrence of Internal Finance Division in the Ministry of Health & Family Welfare, vide Dy. No: AS & FA / 4768/2010 dated the 10th December, 2009.
