Report on Swachhta Hi Sewa–2025 Activities at ICAR-IIAB, Ranchi

On 22nd September 2025, ICAR–Indian Institute of Agricultural Biotechnology (IIAB), Ranchi, actively participated in the nationwide campaign Swachhta Hi Sewa–2025. The event brought together 40–50 participants, including students of IIAB, and institute staff, to promote RRR (Reduce, Re-use, Recycle) through Human Chain under Mission LiFE.

As part of the program, institute staff and students to highlight the importance of the RRR principle under Mission LiFE, symbolizing collective responsibility towards environmental conservation, formed a Human Chain. The students contributed creatively by preparing rangoli on the theme of cleanliness and sustainability, which added a vibrant and inspiring touch to the campaign. Selected students also delivered speeches on the significance of waste reduction, recycling practices, and responsible consumption, spreading awareness among their peers. The institute dignitaries also emphasized the importance of RRR principle for maintaining cleanliness and a healthy environment.

The campaign at IIAB not only reinforced the importance of cleanliness but also strengthened the commitment of the institute community towards building a sustainable and eco-friendly future.

ICAR-Indian Institute of Oilseeds Research (IIOR), Hyderabad

The ICAR–Indian Institute of Oilseeds Research (IIOR), Hyderabad, organized the “**Swachhta Hi Seva – 2025**” campaign on 22nd September 2025, in line with the directions received from the Council. This year, the campaign was observed under the theme “**Swachhotsav**” (स्वच्छोत्सव), symbolizing cleanliness as a festival of responsibility and commitment. As part of the day’s program, a **Human Chain** was organized as a symbolic event, where IIOR staff, workers, and students joined hands to express their unity, raise awareness, and demonstrate their commitment towards cleanliness and sanitation.

Employees of ICAR–IIOR participated with great enthusiasm, reflecting their dedication, sense of responsibility, and commitment to the cause of sanitation and hygiene. To further spread awareness, Swachhta posters were displayed at prominent locations across the institute, sensitizing both staff and visitors about the importance of cleanliness, hygiene, and waste management. The campaign addressed not only immediate cleaning and awareness needs but also reinforced the long-term vision of Swachh Bharat Abhiyan. Through its collective efforts and activities, “Swachhotsav” emerged as a true celebration of cleanliness, instilling civic

responsibility among students, staff, and the local community.

Institute Name: ICAR-National Institute of Seed Science and technology, Mau (U.P.)

Name of activity as per theme of Swachhta Abhiyan

As part of the *Swachhata Abhiyan*, a human chain activity was organized with the participation of students from Kendriya Vidyalaya, Mau. The students were briefed on the objectives of the Swachhata Abhiyan and educated about the principles of *Reduce, Reuse, and Recycle*. They were also informed about the harmful effects of polythene on the environment

ICAR-NBPGR, New Delhi

Division of Germplasm Evaluation, ICAR-National Bureau of Plant Genetic Resources Pusa, New Delhi organized two events on 22nd September 2025 under Swachhta Hi Sewa campaign.

ICAR-NBPGR staff joined for Human Chain to Raise Awareness and Demonstrate Commitment to Cleanliness and Sanitation at Inderpuri, New Delhi. Team of about 30 staff lead by Dr. K S Hooda, Principal Scientist, DGE, ICAR-NBPGR visited Inderpuri New Delhi at 10 am and covered about 2.0 Km distance to create the awareness and completed the campaign at about 11:10 am. Aim was to peacefully get the attention towards the importance of cleanliness.

In another event Dr. Ishwar Singh, Principal Scientist, DGE, ICAR- NBPGR, conducted the 'Reduce, Reuse, Recycle' activity at G A V International School, DLF Phase 3, Gurugram (Haryana). In the event a total of 55 students participated where young talent of students from class V to VIII demonstrated their innovative idea of utilizing the common waste items. This event was supported by active participation of Principal- Mrs Asha Singh, Coordinator- Mrs Neha, Activity incharge- Harmanjeet Kaur and Other teachers namely Mrs Heena Khan, Ms Vaishali, Ms Beenu, Ms Shobhna from G A V International School. In the event First prize was won by Miss. Mahi of class 8th, Second Prize by Mr. Jasmaan of class 5th, and Third prize by Miss Ribica of class 7th. Five consolation prizes were also given seeing the enthusiasm of students towards the activity.

ICAR-IIWBR, Karnal

On September 22, 2025, the ICAR-IIWBR, Karnal, **organized symbolic human chain event** as part of the 'Swachhata Hi Seva' (SHS) campaign under *Swachchhta Pakhwada*, which runs from September 17 to October 1, 2025. The theme for this year is "स्वच्छोत्सव". The human chain was made by different categories of staff like PIs, scientific staff, administrative staff, technical staff, field workers and students to spread the message of “reduce, reuse and recycle” of wastes. The staff of the institute participated in this event very enthusiastically.

ISRI, Lucknow

NRM Division

ICAR-Central Island Agricultural Research Institute, Sri Vijaya Puram

Activity 1. : Organisation of Symbolic human chain events

In alignment with the Swachhata Hi Sewa initiative, ICAR-CIARI, located in Sri Vijaya Puram, conducted a symbolic human chain event aimed at fostering awareness and encouraging active participation in the upkeep of cleanliness and hygiene. Scientists, Technical, Administrative and Skilled supporting, Research Fellows and contractual staff, united to create a human chain, representing solidarity and shared responsibility for a clean and sustainable environment. This event underscored the significance of community engagement in the Swachh Bharat Abhiyan and acted as a visual testament to the institute's dedication to promoting sanitation, environmental awareness, and the Gandhian principles of cleanliness.

Activity 2. : Cleanliness drives at Tourist and market place

In alignment with the Swachhata Hi Sewa initiative, the ICAR-CIARI Krishi Vigyan Kendra (KVKs) organized cleanliness campaigns at the market and tourist locations in Chouldari,

South Andaman, Sri Vijaya Puram, with the aim of enhancing environmental hygiene and fostering sustainable tourism.

**ICAR-National Institute of Abiotic Stress Management
Malegaon, Baramati-413 115**

Activity Conducted: Eradicating parthenium in the campus

Details of the Event:

As part of the ongoing efforts to eradicate Parthenium and in alignment with the *Swachhata Hi Seva – 2025* campaign, ICAR-NIASM organized a Parthenium Uprooting Programme on 22nd

September 2025 at 3:00 PM. All staff members actively participated in the initiative, uprooting Parthenium within the premises of the Nakshatra Garden at the ICAR-NIASM campus.

ICAR-Indian Institute of Water Management

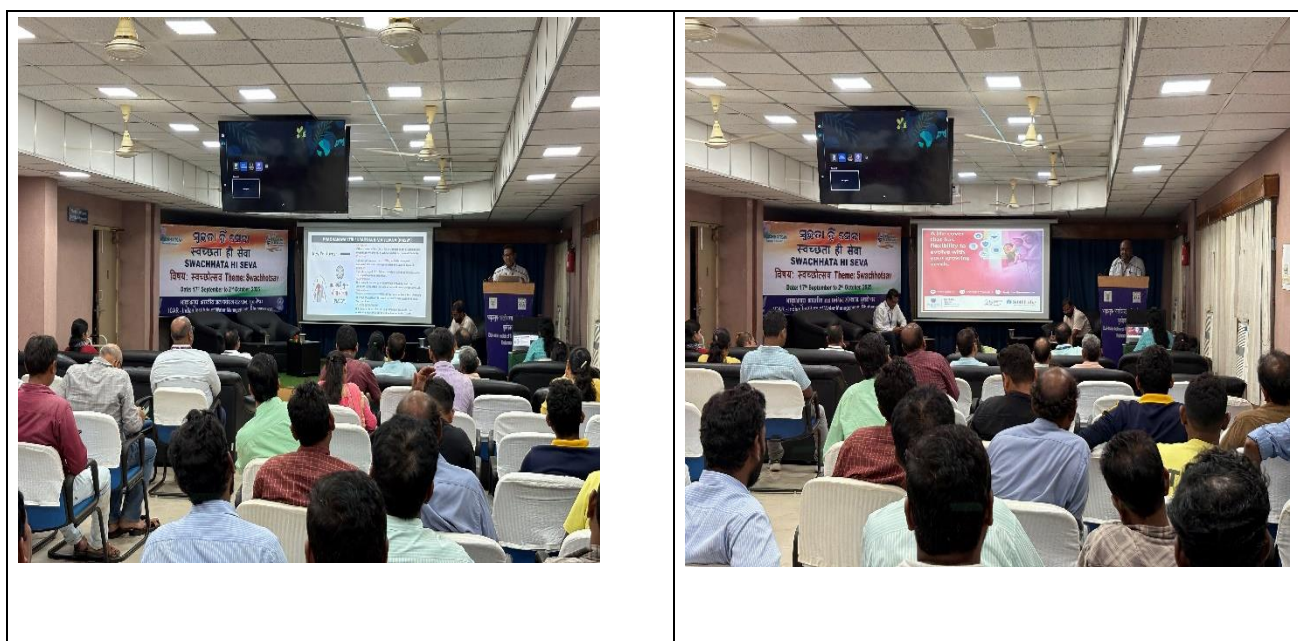

ICAR-Indian Institute of Water Management, Bhubaneswar

Considering the critical importance of social security and welfare schemes of central government for the poor on one hand and their lack of awareness about such schemes on the other, a workshop on ‘linking poor to Government Welfare Schemes’ was organized on the Day-6 of SHS 2025 programme (i.e. 22.9.2025) with support from State Bank of India (SBI). A team of officers led by Shri Dillip Kumar Nayak, Chief Manager (Value Added) were the resource persons in the workshop. At the beginning, the Senior most principal Scientist & Programme Leader Dr. R.K. Panda welcomed guest experts, and this was followed by a brief introduction by the Chairman of the Swachhta Committee on the theme of the workshop and its importance for contractual and other categories of working population. Shri Dillip Kumar Nayak made a presentation on central govt. social security schemes in which he discussed different insurance and pension schemes, eligibility criteria, maturity period, premium

involved, benefits to insurer and family under different situations. He also answered the queries of the participants and cleared their doubts. Shri Suwendu Pati, Area Manager (SBI Life) discussed some of the low premium high insurance coverage products and their benefits for wage earning and other classes of employees. In the last part of the workshop, the participants had the opportunity to discuss their problems relating to the policies they have had and evinced interest in some of the schemes for securing their families. SBI officials also pledged full support to the persons interested to avail government and other schemes. Others who shared their knowledge on the subject were Shri Salil Palei (Wealth Manager) and Mrs. Trinita Pradhan, branch manager, SBI, Rail Vihar branch.

Earlier, SBI officers had a discussion with the Director of the institute Dr Arjamadutta Sarangi on provisions of various schemes and products of SBI life affordable to sanitary and other workers and the modalities to link them to such schemes. Some of the action photographs of Day-6 are presented below.

ICAR-Central Research Institute for Dryland Agriculture, Santoshnagar, Saidabad, Hyderabad – 500 059 (Telangana)

Theme : Campaign on Cleanliness, and sanitation **through Signature**

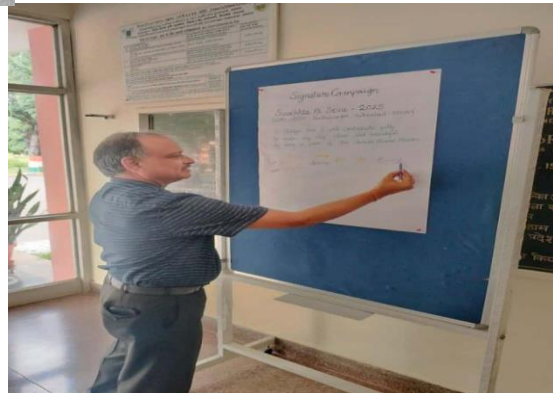

As per the action plan, the Swachhta Hi Seva activities were implemented on 22nd September 2025 and the staff members of ICAR-CRIDA and students of Mega University, Hub ICAR-CRIDA participated at CRIDA main office.

ICAR-Central Research Institute for Dryland Agriculture (CRIDA), Hyderabad, organized a **Campaign on Cleanliness and Sanitation through Signature** as part of its Swachh Bharat initiatives. The initiative aimed to spread awareness, inspire behavioral change, and secure a collective pledge among staff and students to maintain cleanliness and proper sanitation practices both in the workplace and in their communities.

In the beginning Dr. S.K.Bal, Project Coordinator (AICRPAM) emphasized the role of collective responsibility in maintaining hygiene. Scientists, staff, and students actively participated by signing a pledge board. The campaign not only fostered awareness but also reinforced a sense of shared responsibility.

The campaign generated wide awareness and strengthened CRIDA's commitment to a clean and green environment. A total of 75 members participated in the programme.

Human Chain – Symbolic Event to Raise Awareness on Cleanliness under #SHS2025

A Human Chain – a symbolic event to raise awareness on Cleanliness and the “Reduce, Reuse and Recycle” theme of Mission LiFE was organised at ICAR-Central Coastal Agricultural Research Institute (CCARI), Goa as part of the ongoing *Swachhta Hi Seva* 2025 campaign on 22nd Sept. 2025. The event aimed to sensitise staff and general public about their collective responsibility towards maintaining cleanliness and promoting sustainable waste management practices.

The participants formed a human chain outside the institute campus, displaying placards and slogans related to cleanliness, waste reduction and recycling to emphasise the importance of individual and collective action for a cleaner and greener environment. This symbolic gesture reflected CCARI’s commitment to the objectives of Mission LiFE and its efforts to create public awareness, reinforcing that together we can achieve the goal of a clean nation.

CIRCOT, Mumbai

Activity: Human Chain: Symbolic events where people join hands to raise awareness and demonstrate commitment to cleanliness and sanitation.

As a part of the implementation of the Swachhata Hi Seva campaign, Human Chain outside ICAR-CIRCOT campus was made by joining hands to raise awareness and demonstrate commitment to cleanliness and sanitation

CIPHET, Ludhiana

Activity Report on *Human Chain* – 22.09.2025

A symbolic *Human Chain* was organized to raise awareness and demonstrate commitment towards cleanliness and sanitation. The event also featured activities on *Reduce*, *Reuse*, *Recycle*, encouraging participants to adopt sustainable lifestyle practices.

NINFET, Kolkata

As part of the fortnight-long celebration of *Swachhta Hi Seva 2025* (September 17 – October 2, 2025), Human Chain was formed by the all staff members of the ICAR-NINFET where all have joined their hands to raise Swachhta awareness.

Formation of Human Chain by ICAR-NINFET Staff

Institute activities with the theme “Reduce-Reuse-Recycle”

Sustainable approaches for valorization of waste wool into keratin based high value products:

Waste wool, often discarded in landfills or incinerated, poses environmental challenges and resource loss. A sustainable approach involves extracting keratin from waste wool through eco-friendly microbial or enzymatic processes, avoiding harsh chemicals. The recovered keratin can be transformed via biotechnological methods into hydrolysates and biomaterials for high-value applications such as keratin-enriched cosmetics, hair care products, and medical biofilms. This valorization pathway reduces pollution, supports circular economy practices, and adds value for industries, farmers, and consumers, turning waste into wealth in line with green chemistry and bio-economy principles.

Energy blocks from jute stick

Contributor: Dr. Naveen Jose

Jute sticks, usually discarded as agricultural waste, can be transformed into cost-effective energy blocks, providing a renewable fuel source for rural small-scale industries. This approach aligns with the reduce-reuse-recycle concept, improves waste management, and promotes clean energy production of high-calorific, low-impact fuel blocks, contributing to a sustainable energy future.

CIAE, Bhopal

Activities: Human Chain

Action:

A human chain was organized in front of the Administrative Building at ICAR-CIAE, Bhopal, as part of the *Swachhata Hi Seva 2025* campaign. The symbolic event united people in a common effort to spread awareness and reinforce the collective commitment to cleanliness and sanitation. Nearly 32 participants—including CIAE and KVK staff, daily wage workers, and students from Rabindranath Tagore University (RNTU), Bhopal joined hands to support this noble cause. The initiative stood as a strong reminder of the shared responsibility in ensuring a clean and healthy environment.

NISA, Ranchi

As part of the ongoing *Swachhata Abhiyan*, a human chain event was successfully organized, by Dr. Rahul R Bakade, Mr. A.K. Yadav and Mr. Shashi Kumar from ICAR-NISA, Namkum, Ranchi, in the Bargawa village to spread awareness about cleanliness and responsible waste management. The event witnessed enthusiastic participation from villagers, who together formed a symbolic chain across the village streets. This gesture represented unity and collective

responsibility towards maintaining hygiene and sanitation in the community. Placards with messages on cleanliness, proper waste disposal, and sanitation practices were displayed, creating a strong visual impact on passers-by.

Along with the human chain, an awareness programme on the principles of *Reduce, Reuse, and Recycle* was also conducted. Participants were educated about minimizing waste generation by reducing unnecessary consumption, reusing materials wherever possible, and recycling household waste into useful products. Demonstrations were given on composting biodegradable waste and creative reuse of plastic and paper items. The programme emphasized that adopting these practices not only keeps the environment clean but also conserves natural resources and supports sustainable living.

Overall, the event was highly impactful, inspiring villagers to actively contribute to a cleaner, greener community. The initiative reinforced the idea that cleanliness is not only a habit but a shared responsibility.

IASRI, New Delhi

As a part of the ongoing **Swachhata Pakhwada (17th September to 2nd October 2025)**, a **cleanliness campaign** was organized on **22nd September, 2025** at the ICAR–IASRI campus. The cleanliness drive was carried out in and around different sections of the campus, including common areas, pathways, lawns, and office surroundings. Participants enthusiastically engaged in sweeping, removal of litter, clearing unwanted vegetation, and proper disposal of

waste materials. Dustbins were checked and cleanliness awareness messages were shared among participants to reinforce the importance of maintaining a hygienic environment.

This campaign not only improved the sanitation of the campus but also created a sense of collective responsibility among the staff members to keep their workplace and surroundings clean and green. The activity aligned with the national objectives of the **Swachh Bharat Abhiyan**, contributing towards building a healthy and sustainable environment

ICAR - National Academy of Agricultural Research Management Rajendranagar, Hyderabad

As part of **Swachhta Hi Seva Campaign 2025** a Human Chain formed to create awareness among the employees on 22 September 2025 which was focused on “**Reduce, Reuse, Recycle**” by involving all the faculty members, Staff of the Academy and Outsourcing workers of farm. During formation of Human Chain, the concept of reduce, reuse and recycle was explained by Dr Laxman M Ahire, Member Secretary of the SHS, Committee to all the members gathered for the purpose. During this activity the waste containers of acid and floor cleaner were cut down and converted into plant containers practically. The paper bags can be reused as well as the use of poly bags can be reduce was also explained. A total of 80 members were present during this activity. The entire event was completed as guided by Dr Gopal Lal, Director, ICAR-NAARM as well with the support of Dr. Damodar Reddy, Chairman of SHS, Committee. Other members of the SHS committee were also present while taken up of this activity.

Theme: Human Chain

ICAR-Indian Institute of Oil Palm Research, Pedavegi

Programme: Organisation of symbolic human chain events and Conduct of ‘Reduce, Reuse, recycle’ activities aligned with Mission LiFE.

Theme: *Swachhotsav* (as part of *Swachhta Hi Seva*)

Date: 22.09.2025

As part of Swachhta Hi Sewa – 2025 under the theme “Swachhotsav – स्वच्छोत्सव,” ICAR–IIOPR organized a symbolic human chain event where staff, research scholars, and contractual workers joined hands to raise awareness and demonstrate their collective commitment towards cleanliness and sanitation. The human chain served as a strong message of unity and responsibility in promoting hygiene and environmental protection. In addition, the institute conducted “Reduce, Reuse, recycle (3R)” activities aligned with Mission LiFE (Lifestyle for Environment) to encourage sustainable practices. Participants were sensitized on minimizing waste, reusing materials, and adopting eco-friendly alternatives to reduce the environmental footprint. Demonstrations on waste segregation, recycling, and repurposing materials highlighted the importance of responsible consumption. Both activities witnessed active participation and reflected the institute’s commitment to the ideals of Swachh Bharat Mission and sustainable living through Mission LiFE.

**ICAR – Indian Institute of Spices Research, Kozhikode,
Report for 22.09.2025**

स्वच्छता गतिविधियों के हिस्से के रूप में, आईसीएआर-आईआईएसआर क्षेत्रीय स्टेशन, अप्पांगला के कर्मचारियों ने परिसर के भीतर कंक्रीट सड़क और फर्श की सफाई की। इस पहल ने परिसर की स्वच्छता और समग्र स्वरूप में उल्लेखनीय रूप से सुधार किया, साथ ही फिसलन और अन्य दुर्घटनाओं की संभावना को कम करके कर्मचारियों के लिए अतिरिक्त सुरक्षा सुनिश्चित की।

As part of the Swachhata activities, the staff of ICAR – IISR Regional Station, Appangala carried out cleaning of the concrete road and floors within the campus. The initiative significantly enhanced the cleanliness and overall appearance of the premises while also ensuring added safety for the staff by minimizing the chances of slips and other accidents.
