Report of organization of “Swachhata Hi Seva-2025 with the theme Swachhotsav” at ICAR-CRRI, Cuttack on

As per direction from Secretary, DARE & DG, ICAR, New Delhi regarding organization of Swachhata Hi Seva-2025 with the theme “Swachhotsav” from 17.09.2025 to 02.10.2025; on **28.09.2025**, Swachhata activity on “Facilitation of access to health services to Safai Mitras” was undertaken in the “Premises of CRRI Dispensary” with participation of Safai Mitras, members of Institute Swachha Bharat Committee and other staff members of the institute. In the activity, the facilities available in the institute were explained to the Safai Mitras.

A brief report of Access to Health Services: Sensitization of Sanitation Workers (ICAR-IIAB), Ranchi

As part of the Swachhata Hi Seva (SHS)- 2025 campaign with the theme “Swachhatotsav” observed from 17th September to 2nd October 2025, a programme on Access to Health Services was organized on 28th September 2025 at ICAR-Indian Institute of Agricultural Biotechnology (ICAR-IIAB), Ranchi for the persons involved in activities of sanitation at the institute. The program focused on providing this crucial workforce with enhanced health security through their enrolment in government-supported health schemes and increase their awareness of their entitlements related to health and health care. In this regard, the participants were sensitized for flagship government of India schemes- Ayushman Bharat - Pradhan Mantri Jan Arogya Yojana (PMJAY), which entitles health insurance up to ₹5 lakh per family per year; Employees’ State Insurance Scheme (ESIS) for organized sector workers; and many more welfare programs supporting free or affordable health care, hospitalization support, and financial security in instances of medical emergencies. This programme also articulated the procedure for obtaining the benefits in a step-by-step manner to engage and inform the sanitation workers so that they not only gain awareness but also understand how to access the schemes on their behalf. A total of 15 sanitation workers attended the session. The session was coordinated by Dr. Soumen Naskar and Dr. Aderao Ganesh N. from ICAR-IIAB, Ranchi

ICAR-VPKAS, Almora

Swachhta Hi Sewa

Under the *Swachhta Hi Sewa* campaign to ensure the better health and well being of Safai Mitras, sanitation workers, and their dependents, the team facilitated the sanitation staffs of ICAR-VPKAS, Almora for their registration and health check- up at Multi-purpose Health Camp organized by Primary Health Centre, Hawalbagh on the theme of *Swastha Nari Sashakta Parivaar* programme.

A total of 7 staff members participated in the programme. They were sensitized about the various health issues related to women and measures for keeping good health.

The staff members were also sensitized and awareness was created about government schemes like Aysuhman Bharat, PM-JAY, Mission and Indradhanush. They were sensitized and encouraged to participate and take advantage of these schemes

Report on Swachhta hi Seva from 17.09.2025 to 02.10.2025 in respect of ICAR-CRIJAF, Barrackpore, Kolkata

Activity: Access to Health Facilities and Services of Sanitation Workers

As part of the *Swachhata Hi Sewa – 2025* campaign, ICAR-CRIJAF organized a programme on the theme “*Access to Health Facilities & Services to Ensure Better Quality of Life for Safai Mitras/Sanitation Workers and their Dependents including enrolment in Govt. Scheme, such as Ayushman Bharat, PMJAY Mission, Indradhanush & Other relevant state level programme to insure better health & well being*”. The event, conducted at the ICAR-CRIJAF campus, Barrackpore, witnessed the active participation of nine sanitation workers, with their families as indirect beneficiaries. The programme aimed to spread awareness about central and state-level health schemes such as Ayushman Bharat–PMJAY, Mission Indradhanush, West Bengal’s Swasthya Sathi scheme, and ESIC insurance. Detailed sessions were conducted to explain the benefits, eligibility, and enrolment processes, along with practical guidance to help workers avail preventive and curative healthcare services.

The initiative, coordinated by Shri Chandan Kumar Verma, Smt. D. Bernice Ekhe, Shri Ankit Kumar, and Shri Souvik Pramanick, successfully empowered sanitation workers with knowledge of accessible health facilities. Participants expressed their interest in availing Swasthya Sathi Card benefits and were motivated to utilize PM-JAY and ESIC coverage. The programme not only created awareness but also reinforced the commitment of ICAR-CRIJAF towards the welfare of Safai Mitras and their dependents.

ICAR-NIPB, New Delhi

Swachhotsav Swachhata hi sewa programme at ICAR-NIPB, New Delhi on

As per the directives of council on the Swachhta Hi Sewa, we took the initiative of **“Facilitation of access to comprehensive health services for Safai Mitras, sanitation workers, and their dependents, including enrolment in government schemes such as Ayushman Bharat, PM-JAY, Mission Indradhanush, and other relevant state-level programs to ensure better health and well-being on 28th September, 2025.** As part of this initiative, our team, consisting of Dr. Rohini Sreevathsa, Mr. Ramawatar Nagar and Dr. Rampal Niranjana undertook the task of the awareness programme. We interacted with the janitorial staff of the institute and briefed them with the health programmes under various government schemes. The initiative aimed to foster a collective commitment towards health and life security. Participants expressed gratitude for the information provided for their safety and security.

Access to Health Services – Awareness Programme for Safai Mitras and Contractual Workers under #SHS2025

ICAR–Central Coastal Agricultural Research Institute (CCARI), Goa organised an awareness programme “Access to Health Services” under the *Swachhata Hi Seva* 2025 campaign. The programme aimed to sensitise Safai Mitras and other contractual workers about the health-related social security schemes available to them and their families, especially for emergency medical needs. During the programme, Dr. Juhi Kumari, the Institute’s Authorised Medical Attendant, interacted with the participants and explained the benefits and procedures of government schemes such as Ayushman Bharat and Pradhan Mantri Jan Arogya Yojana (PM-JAY), along with other health-related schemes that provide financial and medical support to workers. She also addressed basic health practices and preventive care measures to improve the well-being of workers and their families. Shri Vinod Ubarhande, Farm Superintendent and Nodal Officer #SHS2025, highlighted the importance of the Employees’ State Insurance Corporation (ESIC) hospitals and their facilities for workers, emphasising how timely access to such services can help in managing health emergencies.

Report on Health Check-Up Campaign for Sanitation Workers under “Swachhata Hi Seva 2025”

As part of the nationwide cleanliness initiative “**Swachhata hi Seva 2025**”, a dedicated **health check-up campaign for sanitation workers** was organized on **28-09-2025** at **ICAR Central Soil Salinity Research Institute**. The campaign aimed to promote the health, safety, and well-being of sanitation workers and their families, who are crucial in maintaining cleanliness and hygiene in society. In response to a request from CSSRI, a special medical team from **Amritdhara Hospital, Karnal**, facilitated the health check-up camp.

The programme included comprehensive medical examinations such as general health check-up, blood pressure and blood sugar testing, and medical consultations by the doctor's team. A total of **53** sanitation workers, contractual staff, and students participated in the campaign and benefited health services from the campaign. Sanitation workers were sensitized on preventive healthcare practices and workplace safety measures. Essential health and safety kits were also distributed to support their daily work and enhance occupational safety.

Some photographs of the **Health Check-Up Campaign** are given below

ICAR-Indian Institute of Water Management, Bhubaneswar

On Day-12 of SHS-2025 (i.e., 28.9.2025), under 'Clean Green Utsav' cleaning activities were carried out near the boundary wall of the institute on a site which was geotagged as CTU by ICAR-IIWM. The site is being transformed into a clean and green patch by undertaking

cleaning, levelling, landscaping, fencing and plantation activities. ICAR-IIWM staff joined hands to remove the unwanted plants, dead twigs and branches of nearby trees, semi-decomposed leaves, broken bricks and concretes, broken glasses dumped over past two years. The broken sanitary wares scattered all over the area were collected for disposal. Thus, with the efforts of institute staff, the most part of the area was cleaned. It has been decided to fence the area and plant saplings for which for which concrete poles, barbed wire ad plants have been procured.

Some of the photographs of the event are given below.
