- (c) the details of programmes implemented for the women of the said villages including the details of the beneficiaries along with the details of Barabanki district in this regard?

ANSWER

THE MINISTER OF STATE FOR AGRICULTURE AND FARMERS WELFARE
कृषि और किसान कल्याण राज्य मंत्री (SHRI BHAGIRATH CHOUDHARY)

(a): The Nutri-Smart Village (NSV) is an innovative programme for strengthening POSHAN Abhiyan launched by ICAR-Central Institute for Women in Agriculture (CIWA), Bhubaneswar during November 2021 in 75 villages across India. This Programme has been implemented in project mode by ICAR-CIWA, Bhubaneswar along with its 13 All India Coordinated Research Project on Women in Agriculture (AICRP-WIA) Centres in 75 villages located in 13 states of the country.

There is no separate budget earmarked for the said programme and the expenditure is met out from the contingencies in the existing allocated budget of ICAR-CIWA and AICRP-WIA.

(b) & (c): There is no AICRP-WIA Centre in Uttar Pradesh. Hence, the NSV programme has not been implemented in the state of Uttar Pradesh.
