Scope of work

Brief of previous achievement:

The ICAR participated in the Republic Day parade for three years, as ICAR Tableau being chosen in the year 2018 (Mishrit Kheti Khusion Ki Kheti) 2019 (Kisan Gandhi) and 2023 (Millets the Power House). The ICAR was awarded First Prize for its Tableau, 'Kisan Gandhi' in the Republic Day Parade-2019, Smt. Nirmala Sitharaman Minister of Defence handed over the award to the ICAR team on 28th January 2019.

The Tableau will be made strictly as per the latest guidelines to be issued by the Ministry of Defence from time-to-time in this regard.

The work has to be undertaken on a turnkey basis and will cover all aspects of "Fabrication of Tableau," including conceptualization design creation model fabrication, periodic design and model modification in accordance with requirements and instructions given by Ministry of Defence and ICAR. Upon selection of the model, the agency will also be responsible for actual Tableau fabrication and modifications thereof in accordance with requirements, specifications, timeline, and directives from the ICAR and Ministry of Defence. The successful bidder shall also be expected to and to take into account;

- I. The agency has to provide the designs during the presentation on the theme as per the latest guidelines of Ministry of Defence, subject to change if new guidelines are issued by the Ministry of Defence. The latest guidelines of Ministry of Defence issued vide OM No. 1(III)/1/2025/D(Cer) dated 24.10.2025 is attached at Annexure VII for your reference, guidance and convenience. The agency is requested to thoroughly go through the guidelines issued by the Ministry of Defence.
- II. To provide suitable/appropriate lyrics, composing of music, arrangements of artists and actual prerecording of the music for use in the tableau. Arrangements of choreography as per requirement including arrangements of artists, folk dance troupes, etc. The job will also involve actual presentation and display of tableau during the RD parade, full dress rehearsal (if required) and maintenance of required services at the time of presentation during the event. All logistic including boarding, transportation will be the full responsibility of the agency.
- III. That the turnkey project may also include any other work that may have direct or indirect bearing with the fabrication and presentation of the tableau and may facilitate the project in any manner. Information about ICAR and relevant inputs as required will be made available by the ICAR. The ICAR/DKMA will have the right to modify, change, accept or reject the work in totality or any part thereof or cancel the project at any stage without assigning any reason.
- IV. That the successful bidder will be responsible for transporting the final tableau in the manner and a place decided by ICAR/DKMA without charging extra amount.
- V. That the copyright of the work shall vest with the ICAR as well as will have rights on the awards won, if any.

Policies

The achievements and highlights of the ICAR should depict through ICAR Tableau in very simple, understandable and attractive way. The theme suggested by Ministry of Defence will be the theme of the ICAR Tableau.

GUIDELINES FOR PREPARATION OF TABLEAUX PROPOSAL FOR
PARTICIPATION IN THE REPUBLIC DAY PARADE 2026
(AS PER CEREMONIALS DIVISION, MINISTRY OF DEFENCE)

MOST IMMEDIATE
REPUBLIC DAY MATTER

No.1(III)/1/2025/D(Cer)
Government of India
Ministry of Defence

Room No.1, South Block,
New Delhi, the 24th October, 2025.

OFFICE MEMORANDUM

Sub: Republic Day Parade, 2026 – Selection of Tableaux regarding.

The undersigned is directed to inform that every year, a select number of tableaux from State Governments/UT Administrations/Central Ministries/Departments participate in the Republic Day Parade at Kartavya Path in New Delhi.

2. The selection process of tableaux is an elaborate and time consuming exercise. Ministry of Defence constitutes a Committee of distinguished persons drawn from various fields of the arts to help in short listing the best proposals. This necessitates that the selection process commences well in advance. Accordingly, this O.M. initiates the process of inviting tableau proposals for participation in the Republic Day Parade - 2026. In view of the time-constraints, this Ministry will be able to include only a limited number of proposals. For encouraging the participants, the best three tableaux are given trophies by this Ministry.

3. In view of the above, Ministry/Department is requested to convey its willingness to showcase its tableau during Republic Day Parade, 2026 to this Ministry by 06.11.2025 by post or via e-mail at ceremonials-mod@gov.in. Relevant guidelines for the purpose are enclosed as **Annexure-I**. Ministry/Department who are willing to participate, are also requested to come with 15 copies of color print out of design along with concept note in first round of the meeting of the 'Expert Committee for selection of tableaux' which is likely to be held in second week of November, 2025.

Encl. As above.

Guidelines for preparation of Tableaux proposals for participation in the
Republic Day Parade-2026.

1. Theme of the tableaux for Republic Day Parade, 2026:

- i) स्वतंत्रता का मेघ - वंदे मातरम्
- ii) समृद्धि का मेघ - आत्मनिर्भर भारत

2. Initiatives to be included in tableau component

- Strict and continuous supervision of sufficiently higher level officer from State/UT/Ministry/Department.
- It should be ensured that material used in fabrication of tableau is of highest quality.
- Electronic display (LED, HD, 4K etc.) to be used for bright display of images or content.
- Moving elements using Mechatronics/Robotics.
- Innovative use of LED lighting to showcase dark/shadowed area.
- Balancing of sound level of music.
- 3D printing could be used to depict certain elements.
- Use of eco-friendly material for the tableaux.
- Considering feasibility of display at important location after the Bharat Parv, so that more people can benefit seeing the creations.
- Avoid use of plastic and plastic based products/material.
- Use of special effects to the maximum extent feasible to improve the optics/visual effects of the tableau.
- Maximize the use of technology.
- To maintain quality and avoid monotony in look/design of the tableaux, it may be ensured by States/UTs/Ministries/Departments to engage such fabricators/designers who are not involved in fabrication of more than two tableaux including their proposal.

3. Selection Process

(i) The tableaux proposals are evaluated in a series of meetings of the Expert Committee. In the first phase of selection, the sketch/design of the proposals is scrutinized and suggestions, if any, are given to carry out improvement in the sketch/design. Once the sketches/designs are approved by the Committee, the participants are asked to come up with three-dimensional models of their proposals. The models are thereafter examined by the Committee for final selection depending upon other aspects of the tableaux. Non-attendance in any meeting means withdrawal and such participant will not be invited in subsequent meetings. All cost for attending the meetings is to be borne by the participants. All interaction/presentation with the Committee members will be made by the official representative of the participating State/UT/Ministry/Deptt./Organisation. The artists/designers, etc. may accompany the official representative to take note of the suggestions given by the Committee to carry out modifications in their respective sketch/design/model. They will, however, not directly interact with the members of the Expert Committee unless they are specifically authorized by the Committee to do so to explain any specific point.

(ii) Selection process of Tableaux passes through different stages, starting from initial appreciation of sketch/design and the initial themes of the States/UTs/Ministries/Departments/Organisations followed by a three dimensional model which culminates into the selection of the actual model by Expert Committee through a series of interactions where all aspects of the tableaux are discussed threadbare. The selection depends upon a combination of factors including but not limited to visual appeal, impact on the masses, idea/theme of the tableaux, degree of detailing involved in the tableaux, music accompanying the tableaux, local artists, inclusiveness of modern/electronic/robotics technology etc. Extra weightage may also be given for consideration of initiatives suggested at Sl. No.2 of these guidelines. The selection process normally extends over six to seven rounds of meetings on different days with some elimination and short listing at each stage. Only the shortlisted States/UTs/Ministries/Departments in any particular round of selection are informed about the next round of selection. Mere advancement from one round to another round of meeting does not entitle any participating State/UT/Ministry/Department/Organisations for further round or the final selection, till it is confirmed.

4. Preparation of Sketch/Design

The sketch/design drawn on a scale of 1:1" should be simple, colourful, easy to comprehend and should avoid statistical data and unnecessary details. It should be able to convey, whatever it presents, by itself and should not require any explanation, writing or elaboration. Writing or use of logos on tableaux is not allowed unless it is recommended/agreed by the Committee members. Further, the name of States/UTs presenting which is allowed in Hindi in the front, in English on the back and in Regional language on the sides of the tableau. Similarly, in case of Ministries/Departments and other agencies, name of the Ministry/Department/Organization is to be given in Hindi in the front and in English on the back. Designs in virtual reality, showing the various components displayed from different angles, can also be presented by using CD/DVD.

5. Preparation of models

After the approval of the proposed sketch/design by the Expert Committee in its preliminary meetings, three dimensional model of the proposed tableau would be prepared on the lines of the suggestions given by the Committee for further inspection. Final approval for fabrication of Tableau would be accorded only after the models of the tableaux are finally selected by the Committee. Once 3-D models are finally selected by Expert Committee, these Models will be kept in the custody of Ministry of Defence at a safe location at RR Camp or appropriate location as decided by Ministry of Defence so that the Expert Committee may compare the fabrication of actual tableau with approved 3D models at any stage of time.

6. Uploading of tableau data on 'Rashtraparv Portal'.

All the States/UTs/Ministries/Departments willing to participate in selection process of tableaux for Republic Day Celebrations, 2026 are mandatorily required to upload the contents related to tableau such as image, sketch, concept note, write-up, audio, video etc. on 'Rashtraparv Portal' by logging-in to www.rashtraparv.mod.gov.in with the login credentials already provided by D(Ceremonials), Ministry of Defence.

7. Points to be kept in view while drawing up the proposal

- (i) One tractor and one trailer upon which a tableau would be fabricated, would be provided by the Ministry of Defence free of charges.
- (ii) No additional tractor, trailer or other types of vehicles would be allowed to be used in the tableau. This aspect should be kept in mind while preparing the designs of the tableau proposals to be presented before the Expert Committee.
- (iii) There is no objection to the use of vehicles other than tractor and trailers for fabrication of tableaux to give them a different look. But these vehicles will have to be arranged by the sponsoring authorities themselves. Under no circumstance, the total number of vehicles used in a tableau or the total number of distinguishable mobile components of a tableau would be more than two.
- (iv) A maximum of twelve (12) performers/artists on/along per Tableau will be allowed. No performer is permitted to be on the tractor component of the tableau. Attractive ground element however can be considered on a limited number of tableaux only if it goes with the theme. These conditions are subject to modifications by MoD depending on the requirement of the tableau and the decision of Expert Committee.
- (v) The sketch should clearly depict as to how the tractor pulling the tableau will be used as a part of the theme. Camouflaging the tractor should be in harmony with the main theme of the tableau. There should be a gap of about 6-7 feet between the tractor and the trailer and/or between two trailers for turning or manoeuvring. This should be taken into account while designing the tableau.
- (vi) In case, a tableau is proposed to be integrated with a folk dance, it should be ensured that the selected dance is a genuine folk dance and the costumes and musical instruments are traditional and authentic. The tableau and the dance should also have thematic unity. The video clips of the dance may also be sent along with the proposals.
- (vii) State/UT may preferably engage artists performing on or along the tableau of the State/UT belonging to the concerned State/UT only, who would have a natural flair for the performance considering the significance of the event. Bona fide artists engaged by the State/UT/Ministry/Department may be ascertained by the authorized government official of the concerned State/UT/Ministry/Department before deputing the artists' team to Rashtriya Rangshala Camp.
- (viii) It is also suggested that State/UT/Ministry/Department/Organization may evolve their mechanism to ensure that the agency deployed for design/fabrication of the tableau remains associated with the job till finality to enable incorporating the originally conceived design alongwith the inputs of the Expert Committee from time to time.
- (ix) If, the tableaux of a particular State/UT/Ministry/Department is shortlisted for displaying at Kartavya Path during Republic Day Parade, 2026, the tableau artists are required to report at O/o OSD(RR Camp), Delhi Cantt. on 25th December. In case, the final shortlisting of tableaux is made after this date the artists should report immediately at RR Camp. The tableau artists should not depart from RR Camp before 31st January.

8. Dimensions

While preparing the sketches and subsequently, three dimensional models, the following approximate dimensions of the trailers and tractors which will be supplied to them for the fabrication of the tableau, may be kept in view:

Trailer	
Length	24' 8"
Width	8'
Height	4' 2"
Load carrying capacity	10 tons

The length, breadth and height of a single tableau should not exceed 45', 14' and 16' (from the ground level) respectively. If it is proposed to use any other vehicles under own arrangements, particulars thereof should be indicated in the proposal.

9. Facilities to be provided by the Ministry of Defence

During the meetings of the Expert Committee, the facilities such as a PC, LCD Projector, DVD Player and an overhead projector would be made available by the Ministry of Defence. Should there be any other support requirements, the Ministry may be informed in advance.

10. Advisory to States/UTs/Ministries/Departments/Organisations

- (i) Encourage the production team to use maximum of green/recyclable material for the preparation of Tableaux, keeping in mind the environmental issues and reduction of plastic use.
- (ii) State/UT to plan in advance to recycle the Tableaux after Bharat Parv festival. Major elements of the tableaux such as Sculptures and design elements to be relocated to various locations within the State/UT as Art Installations/Street Art.
- (iii) Local Craftsmen / Folk Artists / Students of Performing Arts / Students of Dance Academies to contribute as [Artists] for the performances on the Tableaux and Ground elements. Efforts to be made to promote and showcase the Cultural and Ethnic diversity through the performances and Acts on the Tableaux.
- (iv) Since the element of Artists and Live performances and Music accompanying the Tableaux are equally important, the process of artists selection to be more systematic and needs to be streamlined.
- (v) The State/UT to promote local artists and talent in these contributions.
- (vi) The Cultural representation of the States to be reflected in the elements on the Tableaux and performers around the Tableaux, the Dress element, headgears and makeup along with musical instruments to explain the local and traditional dance forms and also match with the regional looks which are being showcased.
- (vi) Script/ storyboard around the performances before they are selected to be shared with Expert Committee. Eminent people from Theatre and Dance to assist the other members in this process.

71

- (vii) Performances to experiment with innovative forms of expression such as sign languages, street performance forms and dance as a complete package.
- (ix) A write-up about the Artists and their talents to always accompany the storyboard when a presentation is made before the Expert Committee. Young & relatively less known/ local artist groups to be encouraged.
- (x) A complete detailed note on the costumes and make up along with headgears and musical instruments to be a part of the presentation.
- (xi) The Ministries are requested to ensure that the Artists have equal representation from all parts of the country in the Tableaux unless specific performers are required.
- (xii) In Music element, the wordings and message to be simple and clear. The music and song recordings to be done at the best facilities.
- (xiii) The State Govts/ UT's / Ministries/Departments/Organisations to ensure that the music/lyrics are simple and match with the live performances.
