F. No. ADG(IR)/2019-Not

Dated 5.4.2019

CIRCULAR

The CG Centres such as CIMMYT have the practice of organizing "Visitors Week" in which the Scientists working on the commodity and related officials are invited to see and interact on the performance of unique germplasms successfully grown in the past, present and emerging ones for future.

The Competent Authority has desired that similar activity may also be taken up by commodity institutions of ICAR in order to enhance the process of sharing of knowledge and identification of germplasm by participating scientists/officials towards building futuristic research programmes for development. A brief report on such activities be sent to the office of DG, ICAR on a regular basis.

(A. Arunachalam)
ADG (IR)

1. Secretary, ICAR for information
2. All DDGs for informing Directors of ICAR Institutes
