Subject: National Award for Women's Development through application of Science and Technology.

Dear Sir,

The Department of Science and Technology has instituted the "National Awards for women's development through application of Science and Technology" to recognise the contribution of individual/institution who have worked at the grassroots level for women's development through application of Science and Technology.

This prestigious award consists of Rs.5.0 lakhs in the individual category and Rs.15.0 lakhs in the Institutional category along with a citation and a memento. The applications for these awards are invited through nominations only and self-nomination is not accepted. For this award, performance of the organisation/individual during the last ten years in this field is considered. We are enclosing general guidelines and format for nomination of the award.

I would be grateful if you could arrange for wider publicity of this Advertisement through various channels of your organisation. A soft copy is also being sent separately to put on the related websites. The last date for submission of completed nomination is October 30, 2018.

Thanking you,

Yours faithfully

Debapriya Dutta
