**Subject: Domestic Corporate deal between ICAR & Indian Airlines and  
ICAR & Jet Airways – Deal Code regarding.**

**Reference: 5-9/2004-CDN dated 29-10-2007 - Indian Airlines  
5-8/2007-CDN dated 28-12-2008 - Jet Airways**

Vide above cited references, it was communicated that Indian Council of Agricultural Research (ICAR) has entered into a corporate deal with Indian Airlines and Jet Airways. Following deal code has been assigned to ICAR:

**Indian Airlines - D-265**

**Jet Airways - 9W3477002**

In this connection, following points are reiterated for strict compliance:

1. It is **mandatory** to put corporate deal code on the tickets purchased from Government/ICAR funds whenever anyone is traveling by Indian Airlines/Jet Airways as the case may be. It is also applicable in case of any travel on LTC.
2. It is the responsibility of the concerned Account Officer to ensure that the deal code is mentioned on the ticket before passing the TA Bill claim of the concerned officer.
3. While calling non-official members on ICAR expenses, like calling experts by ASRB, it should be clearly indicated on the invitation letter itself that the non-official member has to get endorsed above deal code on their tickets, if they are going to travel by Indian Airlines/Jet Airways.
4. Concerned travel agent, if any, may be asked to ensure that before issuing the tickets the deal code should be indicated otherwise their bills may be withheld till proper deal code is endorsed on the ticket.

5. Individual officers, who are booking their tickets after drawing the contingency advance, should also be informed at the time of giving the advance that they have to put the deal code, in case they are traveling by Indian Airlines/Jet Airways, otherwise their bills will not be cleared.
6. Tickets can also be booked from the website of the airlines. In case of any difficulty following may be contacted:
