The ICAR had constituted a committee under the Chairmanship of Dr. R.S. Paroda, former Director General, ICAR and Secretary, (DARE) with the approval of Hon'ble AM & President, ICAR Society to undertake a comprehensive review of the Agricultural Research Service (ARS). The terms of reference to the Committee inter-alia included review of the existing model qualifications for selection of applicants to senior scientific positions in the ICAR.

Dr. Paroda Committee had recommended the revised model qualifications for selection of applicants to various senior scientific positions in the ICAR. The recommendations of the Committee were considered by the "Committee on ARS" under the Chairmanship of Director General, ICAR. The ICAR vide letter of even no. dated 26.04.2012 (available at ICAR website www.icar.org.in) has notified the revised model qualifications for scientists and Research Managers in the ICAR with the approval of Governing Body.

The revised eligibility qualifications for the posts of ADGs/Directors of ICAR Institutes other than National Institutes/ Deemed Universities/ZPDs and Joint Directors of National Institutes inter-alia provide that applicants for these positions "should also possess MDP/EDP course completion certificate of NAARM" as an essential requirement. The clause of MDP/EDP course completion certificate shall form a part of the essential qualifications only for those Research Management Positions that shall be advertised by the ASRB from January, 2013 onwards or subsequently as shall be notified by the ICAR. As the prospective applicants from NARS/SAUs are also eligible for

these senior scientific positions in the ICAR, it is requested that the aspiring candidates among the academic fraternity and other equivalent cadre may kindly be nominated for pursuing the aforementioned course at NAARM as per the course module to be notified by the Council/NAARM in due course of time.

Yours faithfully,
